

PROFESSIONAL SUMMARY

- Having 3+ years of IT Experience as a DevOps Engineer role
- Working experience with **JIRA** for Preparing documentation plan, estimating work, and assigning work to the team. Coordinating and tracking all projects for seamless releases using Project Management System.
- Worked with **GIT** source code tool and ensured the reliability of the application as well as designed the branching strategies for **GIT**.
- Working experience with build tool like **Maven**.
- Knowledge on preparing the Release Packages to different environments by using build automation tools **Maven**.
- Hands on experience with Continuous Integration tools such as **JENKINS**.continuous integration (CI) and Continuous delivery (CD) using Jenkins.
- Integrated **Jenkins** CI with **GIT** version control and implemented continuous build based on check-in for various cross functional applications.
- Extensively worked on **Jenkins** for continuous integration and for End-to-End automation for all build and deployments.
- Scripting in multiple languages on **LINUX** Like **bash, Shell**.
- Used Shell scripting in automating many modules.
- Good knowledge in checking the code quality using the **SONARQUBE**.
- Hands on experience in Containerization tool like **Docker**.
- Work experience on several **Docker** components like **Docker Engine, Hub**, creating **Docker images, Compose, Docker Registry, Docker Swarm**.
- Hands on experience on creating and maintaining **EKS cluster** and nodepools.
- Experience in Orchestration tool **Kubernetes**.
- Good hands-on experience on **Kubernetes, worker Node, Master Node, Pods**.
- Good experience in infrastructure as a code (IaC) tool **TERRAFORM**.Initialize the Terraform.
□
- Hands on experience on monitoring system like **Prometheus** and **Grafana**.
- Hands on experience in AWS provisioning and good knowledge of **AWS Services** like **EC2, IAM, S3 bucket, Cloud Formation, VPC, RDS, ELB, SNS, ECS, EKS**.
- Knowledge on creating ci/cd flows using **Github actions**

EDUCATION

- **M.Tech (PEED)** from JNTUK University in 2020.
- **B.Tech (Electrical and Electronics Engineering)** from JNTUK in 2017.

PROJECT EXPERIENCE

Project#2

Title	:	Zee Entertainment Enterprise Limited
Client	:	Zee5
Duration	:	April 2021 to till date
